Document Name

STUDENT SELECTION AND ADMISSION POLICY AND PROCEDURE

Document Number

PO-STU-08

Document Status

Author	Registrar	July 2015
Approving Authority	Academic Board	August 2015
Publication	Issue 12	January 2017
Review Date	Review of Issue 12	August 2018

Purpose and Scope

This policy and procedure aims to clarify the admissions regulations, and to establish and maintain a uniform process which ensures the efficient management of all student admissions and offers of a place in an Excelsia College course. It also seeks to standardise process for the application of admission requirements that are specific to the courses and those that reflect the higher education regulatory framework governing both domestic and overseas student admissions. This will ensure transparency, equity and fairness in the treatment of all applicants.

Responsibilities

The Teaching and Learning Committee (TLC) has delegated to the Admissions Committee authority for managing the College's policy for student admissions. The TLC monitors the implementation of the Student Selection and Admission Policy through regular reports and data from the Registrar, Convenor of the Admissions Committee.

The Academic Board has resolved that admission requirements and selection criteria should be clearly expressed to reflect accreditation approval, and that any approved changes be published at least six months before the intake to which they refer. The Director of Quality is charged with monitoring the correctness and completeness of published admission requirements.

Recognition of institutions and courses for the purposes of admission to candidature is the responsibility of the Admissions Committee. In the case of overseas qualifications, the Admissions Committee consults the AEI/NOOSR CEP Online Database for information about equivalency with Australian qualifications.

The Registrar is required to maintain appropriate records of the basis for admission of students so that:

- a) the effectiveness of admission criteria can be evaluated, and
- b) statistical reviews of the progression rates of students may be conducted, and
- c) the HEIMS reporting requirements may be satisfied.

These records should be kept in accordance with the College's policy for storage and handling of records.

Selection

Admission Requirements

The admission requirements and selection criteria for each course are approved by the Tertiary Education Quality and Standards Agency (TEQSA) and, where relevant, the Board of Studies, Teaching and Educational Standards (BOSTES) and the Psychotherapy and Counselling Federation of Australia (PACFA) as part of course accreditation. Any change must be approved by the Academic Board and, if significant, reported to TEQSA and BOSTES.

The Registrar maintains schedules of approved admission requirements, including assumed knowledge and selection processes and/or criteria specific to disciplines or courses. Admission requirements for each course are published in the Course Information Books.

English Language Requirements

Applicants who have completed an educational qualification in a non-English speaking country have to provide proof of proficiency in English through internationally recognised tests such as IELTS or TOEFL, or through satisfactory completion of an approved course at one of the College's partner language colleges. The English language requirements for admission to each of the College's courses are published in entry requirements and on the College website, and may include scores for bands within the test (e.g. Reading, Listening). Comparative scores for some popular tests are included below.

IELTS SCORE Band	6.0	6.5	7.0	7.5	8.0
Test of English as a Foreign Language internet based Test (TOEFL iBT)	60	80	94	102	110
PTE Academic	50	58	65	73	79
Cambridge English: Advanced (CAE) from Cambridge ESOL test scores	52	58	67	74	80

The above tests will be accepted as valid for admission into Excelsia College courses if the test was taken within 24 months of the proposed date of commencement of study.

Additional Admission Requirements for Overseas Students

Overseas students applying for admission to Excelsia College courses must have reached the age of 18 years by the commencement of their studies. Excelsia College will not admit overseas students who have not yet reached 18 years of age.

Overseas students wishing to transfer to Excelsia College from another registered provider prior to completing six months' study in their principal course need to include an appropriate letter of release with their application.

Access and Equity

Domestic Student Age Restriction

Domestic students applying for admission to Excelsia College undergraduate courses would normally have reached the age of 18 years during the year of the commencement of their studies.

Student under 18 would not normally meet other matriculation entry requirement for undergraduate courses. If the applicant has studied equivalent tertiary preparation courses or are determined to be a "special circumstance" situation the Admissions Committee may refer the applicant to the Academic Board for consideration for entry on a provisional basis.

Mature Age Entry

To be eligible to apply for admission to a degree program as a mature age student, candidates must meet all of the following criteria:

- a) be at least 21 years of age on 1 March of the year of entry to the College;
- b) not have an ATAR or equivalent interstate or overseas qualification that would enable them to compete for normal admission;
- c) not have been enrolled for at least two full-time semesters of study in a Diploma or higher level qualification; and
- d) satisfy the additional admission criteria for the course they wish to enter, e.g. artistic requirements, assumed knowledge, language requirements.

At the discretion of the Admissions Committee the offer of a place to a mature age applicant may be provisional requiring the student to pass all enrolled units in the first semester of study.

Special Entry

The Admissions Committee will not normally admit a student who does not meet the specified entry criteria for the course in question. However, the College recognises that:

- (a) a student not meeting the entry criteria may have gained through employment, and/or formal or informal education, experience and/or qualifications equivalent to the entry criteria for a given course; and

- (b) students from certain backgrounds, who may be able to successfully complete a given course, may not have had reasonable prior opportunity to develop experience and qualifications sufficient to satisfy the entry criteria for that course. Such students may include:
- (i) Aboriginal and Torres Straight Islanders,
 - (ii) students with a disability,
 - (iii) students from socially or economically disadvantaged backgrounds,
 - (iv) students from non-English speaking backgrounds, including migrants and refugees, and
 - (v) students from rural or remote locations.

In both cases (a) and (b), the Admissions Committee may determine that a student can be admitted to a course of study despite not meeting the entry criteria. In such circumstances, the Committee will normally admit the student provisionally such that the student has to successfully (i.e., without failure) complete their first semester of study in order to be allowed to continue in the course. Certain conditions (e.g., successful completion of an Academic Study Skills unit) may also be applied to the admission. All students are informed that eligibility for Special Entry does not constitute a guarantee of a place in a course and, further, any student admitted by Special Entry must satisfy all course requirements in order to be eligible to graduate.

Procedure

A. STUDENT RECRUITMENT

1. Receiving an Application for Admission to Award Studies

a. File Requirements

The Student Advisor responsible receives Applications for Admission to that School and is the applicant's official point of contact with the College. A complete file comprises:

- *Application for Admission* form
- *School Supplementary Application* form STU-AC-F12, F14, F15-1, F15-2, F41, F42, F43
- Proof of Citizenship (certified copies only)*
- Academic Records (certified copies only)⁺
- One passport size photo on the application form.
- Additional School requirements as specified on the application form (see below).

b. Additional School Requirements

- Performing Arts (Drama and Music) applicants who are not able to attend the college for auditions must supply a DVD or video as outlined in the Admission Requirements published in their Course Information Book.
- Master of Music - Portfolio/resume.

* Certified copies must include contact details of certifier. To verify an academic transcript if required, the Student Advisor will telephone or check the website of the university concerned to confirm the individual is a graduate or to gain information about written verification of academic transcripts.

⁺ Qualifications required for admission that have been awarded overseas must be checked for equivalency with corresponding Australian qualifications. The Assistant Registrar completes the check using AEI/NOOSR Online, and inserts the relevant extract into the file before forwarding to the Head of School.

- Applicants whose qualifying studies were completed in a language other than English will normally be required to provide evidence of English language proficiency. The Course Information Books specify the level of proficiency required for admission to each course. Generally speaking, this is IELTS 6.0-6.5 for undergraduate courses and 6.5-7.5 for postgraduate courses. The evidence normally required is an original or certified copy of the IELTS test scores.

c. Additional Requirements for Overseas Students

- Current valid passport
- Proof that student will have attained the age of 18 years by commencement of studies.

d. Additional Optional Documents

- An *Undergraduate Arts Scholarship Application* form (STU-AC-F16) may accompany an application.
- A Letter of Release from a previous registered provider must accompany an application from an overseas student who has not yet completed six months of study in the student's principal course of study.

2. Supporting Documents Received before Applications

Documents not accompanied by any Application for Admissions form representing part of an application are dated and treated as an application, and a folder created as per above, and the student followed up for that admission year.

3. Complete Applications

a. Create a File

A *File Checklist* is attached to an appropriately coloured folder and all relevant sections dated and signed. The folder colours are unique by School.

The horizontal lip of the file should contain the following information (printed, in order): Academic School, Student Number, and Student Name. A file name tag is created on the Dymo labeller.

Application documents are placed into the student's file after being inserted in checklist order into a plastic sleeve. A second plastic sleeve is inserted into the file for all interview and audition records, and any correspondence to and from the applicant.

b. Assign a Student Number

Student numbers are assigned using the Student Management System (Paradigm).

Students retain this number for the duration of their studies regardless of the number of courses they study. Student details are then entered into the student database.

c. Acknowledge Application

Upon receipt of an application form (STU-AC-F01) the applicant is sent (via email or post if there is no email address given) an Acknowledgement Letter that states:

1. That the application has been received
2. Requests any missing documentation
3. Informs the applicant that the Head of School will contact them
4. Notifies of the application round they are in and subsequent offer dates

A copy of this letter/email is added to the student's file.

d. Forward File to Head of School

The Student Advisor forwards the complete file (including copies of any emails or letters) to the Head of School.

B. ACADEMIC SCHOOLS

4. Assessing an Application

The Schools are responsible for interviews, auditions or interactive workshops where applicable, for determining whether all admissions criteria have been satisfied, and for making decisions about suitability for admission.

Staff involved in student selection will not discriminate on the grounds of race, gender, age, physical condition or denomination. The basis of admission decisions is academic and/or artistic merit measured against published admissions criteria. The College reserves the right to refuse the offer of a place to those applicants who have not fulfilled the published admissions requirements, and may limit the number of places offered in any one course in accordance with capacity.

a. Interviews

All applicants are required to have an interview by the Heads of Schools (or nominated permanent staff member of that School). Interviewers complete the *Interview Checklist* (STU-AC-F38), placing the signed form in the applicant's file.

b. Auditions

Applicants for a performing arts award are required to have an audition. At least two members of the academic staff will be in attendance at auditions. Audition forms (STU-AC-F35, STU-AC-F37, STU-AC-F45, STU-AC-F46, MUS-F12, or MUS-F12A) must be completed where applicable, signed and placed in the applicant's file at the time of the audition.

c. Other Admission Requirements

There may be additional requirements for some courses. For example, students applying for admission to the courses of the School of Counselling complete panel and group assessment of their suitability for counselling studies. Staff members assessing an applicant complete the *Counselling Entry Assessment* (GSC-F11), which is signed and placed in the applicant's file at the time of the assessment.

Before the file is taken to the Registrar's Office the Head of School and Student Advisor will check that the file comprises:

1. Completed *Interview Checklist* (STU-AC-F38)
2. Applicable audition or other assessment forms
3. All documents that were originally in the file
4. The File Checklist has been signed for interviews and auditions.

C. ADMISSIONS COMMITTEE

5. The Admissions Committee (Registrar, Head of School, Academic Director)

After auditions and interviews are completed, the file is returned to the Registrar with the recommendation for admission. The Assistant Registrar organises timely meetings of the Admissions Committee. It is the responsibility of the Admissions Committee to verify the academic eligibility of an applicant to be admitted to an Excelsia course, and if the applicant should apply for credit or RPL (WP-STU-06 *Credit and RPL*). The Assistant Registrar can represent the Registrar at the Admissions Committee meetings if necessary.

D. STUDENT ADMINISTRATION

6. Offers

On receipt of the Admissions Committee decision and on their behalf, the Assistant Registrar:

- Updates the student database
- Notes the admission decision on the Admission Report
- Writes the applicable *Letter of Offer* (STU-AC-L02 *Domestic*, STU-AC-L14 *International*, STU-AC-L18 *ACL Packaged International* letter and a *Written Agreement* (STU-AC-F11 *Local*, -F11ED *Education*, -F11MM *MMus*, -F11SV *Student Visa*, -F11MMSV *MMus Student Visa*), or *Rejection* (STU-AC-L04) letter to the applicant.
- Updates the Provisional and Conditional Acceptances spreadsheets (kept per year at S:\Registrar\STUDENTS\Letters of Offer\YEAR).

a. Notification that applicant has not been offered a place

In cases where the applicant is not given the offer of a place, the Assistant Registrar will inform the applicant in writing of the reasons why, and the alternatives that may be offered. In most cases the Head of School will have communicated verbally with the applicant, but the reasons must be put into writing and clarified according to the admission requirements.

b. Conditional Offers

In cases where the applicant is given the offer of a place with conditions, the Assistant Registrar will inform the applicant in the Written Agreement of the conditions. A conditional offer involves requirements to provide additional information and does not affect admission status.

c. Provisional Offers

In cases where the applicant is given the offer of a provisional place, the Assistant Registrar will inform the applicant in the Written Agreement of the provisions and timeframe of the probationary period. At the end of the probationary period the Registrar's Office initiates a review of the student's progress and informs the student of the decision via a *Provisional Status Lifted* (STU-AC-L25) letter.

d. Appeals against Decisions of the Admissions Committee

An applicant who is not offered a place in one of the College's courses can appeal the decision of the Admissions Committee by accessing the Student Grievance Policy and Procedures.

7. Letter of Offer and Written Agreement

After each Admissions Committee, the Assistant Registrar notifies each applicant via email of the decision of the Admissions Committee. This notification is not the offer of a place and does not elaborate on specific student admission details.

a. Domestic Students

The Assistant Registrar edits the standard *Letter of Offer Domestic* (STU-AC-L02) and Written Agreement template to reflect the decision of the Admissions Committee and offers the applicant a full, conditional and/or provisional place in a course. The Assistant Registrar emails the Letter of Offer to the student with the following documents:

1. Written Agreement
2. 20XX Semester Dates
3. Application for Credit and/or Application for RPL forms (if applicable)

b. Overseas Students

For overseas students requiring a student visa, the Assistant Registrar edits the standard *Letter of Offer International* (STU-AC-L14) and Written Agreement template to reflect the decision of the Admissions Committee and offers the applicant a full, conditional and/or provisional place in a course. In addition, the Assistant Registrar calculates the total cost of the first semester's tuition fees for their course and nominated OSHC premium for the first year of study (see WP-STU-05 OSHC procedure).

The Assistant Registrar emails the Letter of Offer to the student with the following documents:

1. Written Agreement
2. 20XX Semester Dates
3. Application for Credit and/or Application for RPL forms (if applicable)
4. Visa documents.

8. Responding to the Offer of a Place

A response form and Written Agreement is sent with the Letter of Offer which the student returns either accepting, deferring or withdrawing from the offer of a place. The Assistant Registrar

updates the student database with the decision, and responds to the student in writing (email or post) with one of the following:

- Deferral: Writes a standard *Deferral* letter (STU-AC-L05) (see WP-STU-11).
- Withdrawn: Writes a standard *Withdrawal* letter (STU-AC-L26) (see WP-STU-11).

The Assistant Registrar photocopies the letter/email and files the copy in the student's file. Withdrawn student files are archived, deferred students are moved to Deferred Students drawer after Orientation, and current students are moved into the Current Students drawers.

c. Overseas Students

In addition to the above, if an overseas student accepts the offer of a place in a course, the Assistant Registrar also completes the following.

Receipts for Tuition Fees and OSHC

When the student pays the required fees, the Accounts Assistant notifies the Assistant Registrar who checks the deposit to ensure it equals the amount requested in the acceptance letter. [Where the amount varies slightly (due to bank fees), the Assistant Registrar uses discernment as to whether to request the remaining money before proceeding or notify the student of remaining payment to be made during Financial Check-In.] The Assistant Registrar enrolls the student in a course. Following procedures outlined in WP-FIN-01 *Notified Trust Account* and MP-FIN-01 *Cash Management*, the Accounts Assistant gives the Assistant Registrar two copies of the receipt. One receipt goes to the student; the other is stored in the student file.

9. Admissions Report

Reporting on Admissions is done via the Marketing team from October 2016.

10. Applying for Overseas Student Health Cover

Please refer to WP-STU-05 Overseas Student Health Cover Procedure.
